KABOOTI® ICE

4-IN-1 Complete Comfort Seating Solution

DONUT RING

SEATING WEDGE

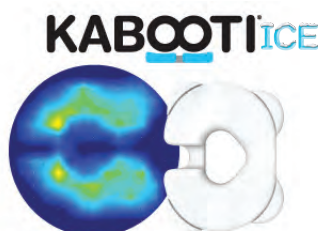

COCCYX CUSHION

COOLING GEL

The KABOOTI® is uniquely engineered to be superior to conventional donut cushions.

Pressure mapping* shows a comfortable seating solution with minimal pressure on the Kabooti, but the donut cushion shows extremely high pressure concentration (red and orange areas) on buttocks area. This can result in uncomfortable seating, reduced skin and surface blood circulation and potential damage to skin.

*Pressure maps performed with 175 lb. male, using XSensor pressure mapping equipment & software.
