

Positions the Lower Body for Comfort

**Relax Tired Legs, Soothe
Achy Legs & Comfort the
Lower Back**

If you've got customers that experience lower back pain, you need the KneezUp Leg Wedge in your store. It helps to relieve strain and stress on their lower back as they lay on their backs.

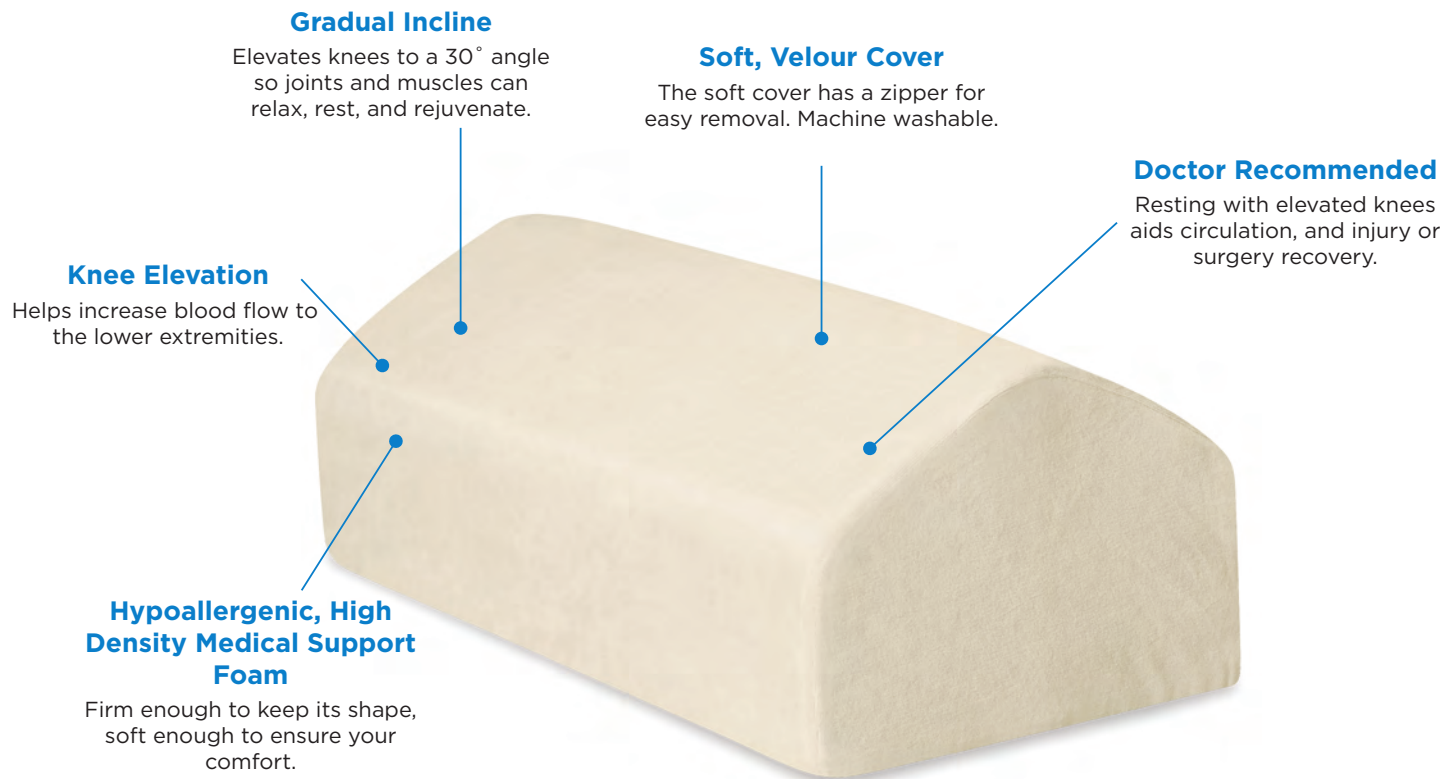

- Elevates knees to a 30 degree angle so joints and muscles can relax, rest and rejuvenate
- Soothes achy knees
- Relaxes tired legs
- Helps increase blood flow to the lower extremities
- Aids in knee surgery recovery
- Constructed of medical grade foam
- Soft, velour cover is zippered, easy to remove, and machine washable

Merchandises Beautifully.

Our packaging is eye catching and informative, allowing potential customers to make a buying decision quickly and easily.

KNEEZUP

Elevated Knees Reduce Pressure on the Lower Back

Before

Lack of support can cause poor spinal alignment.

After

Elevated knees reduce pressure on the lower back by allowing the lumbar curve to flatten out.
