

Bracing & Support

About Bracing

In 1974, Meditex Ltd. was established by Mr. Uriel Rosen, O.M. In a very short time it became one of the leading manufacturers of orthopedic bandages and health supports in Israel as well as worldwide under the brand name Uriel.

The company's strategy is based on the consistent quality control under the experienced guidance of medical experts. Uriel is a dynamic company with innovative product designs, expert manufacturing techniques and superior quality control. Advanced knitting technology gives the ability to continuously create and manufacture orthopedically-correct, therapeutically-designed devices.

About FABRICATION ENTERPRISES INC

Fabrication Enterprises is a manufacturer, importer, and master distributor of products for physical therapy, occupational therapy, athletic training, chiropractic, home care and more. Founded in 1974, FEI's products are sold to hospitals, clinics, fitness centers, professionals and individuals by a network of dealers globally. Select products are available in retail stores. For more information, visit www.FabEnt.com or email sales@FabEnt.com.

Use the following color code:

Support - for everyday use and support

Thermo - designed to provide a thermal effect

Active - one size fits most; made with neoprene

Anatomic - provides extra support and comfort

First Aid - temporary relief for those with injuries

Abdominal Support

Abdominal belts are ideal for post-natal and post-surgical management. The belts provide compression for weak and strained abdominal muscles resulting from injury, overuse, inactivity, or surgery. Additionally, they provide support for individuals suffering from back pain.

Use Uriel Abdominal Belts to promote good back posture or as a waist trimmer.

Abdominal Support Belts

24-9232	Abdominal Belt, Medium	\$50.00
24-9233	Abdominal Belt, Large	\$50.00
24-9234	Abdominal Belt, X-Large	\$50.00
24-9235	Abdominal Belt, XX-Large	\$50.00

Ankle Splints & Support

Ankle Splints

Uriel Ankle Splints are designed for the treatment and prevention of common or acute ankle injuries. They are designed to reduce inflammation and swelling, provide compressive support, and manage chronic pain from injury or surgery.

24-9102	Light Ankle Splint, Medium	\$80.00
24-9103	Light Ankle Splint, Large	\$80.00
24-9104	Light Ankle Splint, X-Large	\$80.00
24-9105	Light Ankle Splint, XX-Large	\$80.00

Ankle Support

Ankle Support Sleeves help ease painful, tired feet and swollen ankles resulting from sports or everyday activities. They fit both the right and left ankles and can be used as supports for strained and sprained ligaments.

24-9112	Ankle Support, Beige, Medium	\$12.50
24-9113	Ankle Support, Beige, Large	\$12.50
24-9114	Ankle Support, Beige, X-Large	\$12.50
24-9115	Ankle Support, Beige, XX-Large	\$12.50

Arm & Shoulder Support

The Arm & Shoulder Support Sleeve provides compression of the common extensor muscles and helps with pain relief of the elbow joint, muscles, and tendons caused by overextension, strain, and fatigue. The sleeve can be worn on either the left or right shoulder.

Arm & Shoulder Support Sleeve

24-9062	Medium Sleeve	\$70.00
24-9063	Large Sleeve	\$70.00
24-9064	X-Large Sleeve	\$70.00
24-9065	XX-Large Sleeve	\$70.00

Elbow Compression Sleeve

24-9072	Medium Sleeve	\$12.50
24-9073	Large Sleeve	\$12.50
24-9074	X-Large Sleeve	\$12.50
24-9075	XX-Large Sleeve	\$12.50

This light-fitting, elastic sleeve provides uniform compression around the elbow. It assists with reducing swelling and pain caused by post-operative and post-traumatic elbow injuries, sprains, strains, and chronic swellings, as well as providing support during activities.

Lumbar Support

Everyday Lumbar Support Belts are ideal for relieving lower back pain and strains. They provide maximum support for strained, sprained, and aching backs while relieving back pain from injury or strenuous activity. The belt provides compression around the lower back, abdomen, reinforces lumbar and lumbo-sacral areas, and promotes good posture.

Lumbar Support Belts, Everyday Use

24-9202	Medium Belt	\$70.00
24-9203	Large Belt	\$70.00
24-9204	X-Large Belt	\$70.00
24-9205	XX-Large Belt	\$70.00

Beige Lumbar Support Belts

24-9212	Medium Belt	\$45.00
24-9213	Large Belt	\$45.00
24-9214	X-Large Belt	\$45.00
24-9215	XX-Large Belt	\$45.00

Beige Lumbar Support Belts provide maximum support for strained, sprained, and aching backs. They help relieve pain from injury or strenuous activity by reducing strain thereby reinforcing lumbar and lumbo-sacral areas and promoting good posture. These belts are recommended for those suffering from lumbar facet syndrome, lower back pain, sciatica, osteoarthritis, moderate form of spinal muscular atrophy, and post-surgery management.

Lumbar Support

Uriel Lumbar Sacral Belts alleviate tension on the spine by controlling abdominal sag. Four flexible stays, positioned vertically along the spine, conform to the lower back. The belt helps relieve lower back pain caused by injury or strenuous activity by reducing strain, and providing a compression effect around both the lower back and abdomen.

Lumbar Sacral Air Belt

24-9222	Medium Belt	\$115.00
24-9223	Large Belt	\$115.00

Knee Support & Braces

Hinged Knee Brace

The Hinged Knee Brace is designed to support ligaments and the meniscus stemming from traumatic injuries. The brace is useful for the support of ACL's, PCL's, MCL's, LCL's, as well as meniscus swelling, edema prevention/reduction, and post-surgical applications. Bi-lateral hinges provide full knee stabilization, stability and compression. Breathable mesh fabric on the back side allows for easier knee bending and extra comfort.

24-9152	Medium Brace	\$107.50
24-9153	Large Brace	\$107.50
24-9154	X-Large Brace	\$107.50
24-9155	XX-Large Brace	\$107.50

Knee Sleeve, Knee Cap Support

The Knee Sleeve is ideal for those with minor knee/patellar pain and discomfort. It provides compression and warmth to tired and aching knees during sports and everyday activities.

24-9162	Medium Sleeve	\$50.00
24-9163	Large Sleeve	\$50.00
24-9164	X-Large Sleeve	\$50.00
24-9165	XX-Large Sleeve	\$50.00

Neoprene Hinged Knee Brace

The Hinged Knee Brace is designed for the support of ligaments and meniscus damaged by traumatic injury, edema prevention/reduction, and post-surgical applications.

Wrist & Thumb Support

Thumb Splint

The thumb splint is designed to provide to support for the thumb while the high quality material allows for breathability and wearing comfort. It is recommended for thumb strain, sprain, fracture, inflammation cases, post-cast removal, or tendon, muscle, and ligament injuries.

24-9002	Medium Thumb Splint	\$40.00
24-9003	Large Thumb Splint	\$40.00
24-9004	X-Large Thumb Splint	\$40.00
24-9005	XX-Large Thumb Splint	\$40.00

Rigid Thumb Splint

The Thumb Splint is designed to provide firm support for the thumb with a flexible spiral rod that limits thumb movement.

24-9019	Universal Size	\$15.00
---------	----------------	---------

Wrist/Thumb Splint

The wrist and thumb splint is designed with an inner aluminum rod to hold the wrist in a functional position at an angle of 35° (optional adjusting). The splint restricts movement of the thumb and provides support to the wrist. It is ideal for the treatment of sprained or strained wrists and thumbs, and for local inflammation.
